Reading/Language Arts Notes

First grade is working on words that have the -er and -ed spelling patterns. They are working on remembering that -ed has three different sounds (ed, d, and t). They also learned the prefix un-. In LA, they learned how to identify a noun as common or proper.

Second graders learned about words with the -oi, -oy, be-, and schwa sound /u/ (ex. again, alive, etc.) spelling patterns. They learned how punctuation works when writing a letter and practiced editing errors in a written letter. In LA, they continued to work on prepositions, object of a preposition, and prepositional phrases. This is a tricky part of speech.
