Reading/Language Arts Notes

First grade continued working on words that have the -er and -ed spelling patterns. They learned how we can use their 5 senses to create a poem. Finally, they wrote a short poem involving a problem and a solution. In LA, they continued identifying a noun as common or proper.

Second graders learned about words with the -ou and -ow spelling patterns. They learned how to use a dictionary to find words and their definitions.

In LA, both classes used their language arts skills to type a note on Seesaw
