## Reading/Language Arts Notes

First grade worked on learning the spelling pattern of changing the "y" to an "i" when adding -ier or -est. They also learned about idioms. In LA, first grade began learning about identifying topics in paragraph and supporting versus non supporting sentences.

Second graders worked on words have the short u sound but is spelled with an a or an e.

They also reviewed more contractions and worked with the prefix -un. In L.A., second grade began reviewing the writing process and will be creating a 3 point expository paragraph.

## Spelling List

First

Second

No Spelling this week  
due to the  
short week!

## Word of God

Our bible stories showed us that God gives us Christian parents to teach us and discipline us when we do wrong. We studied how God expects us to honor and obey our parents.

Stories to read at home for this week in your blue folder are:

**Saul Becomes King**

**Saul Disobeys God**

(see other side for memory work)

## Science

Last week we began our unit on the Sun. We explored how the earth rotates causing day and night.

## Math Notes:

First grade learned how to find a missing addend, learned sums of 10, congruent shapes, and measuring line segments to the nearest inch.

Second grade continued working on subtracting two-digit numbers with borrowing. They also learned about multiplying by 10 and rounding to the nearest tens place.

## Special Things to Note:

March 9: PTO Family Game Night  
March 12-16: Lutheran Schools Week  
March 16: Grandparents Day  
March 16: Luther Musical

Please return Yellow/Red Set 2  
Christ Light folders so that I may  
send you Set 3. Thanks
