Reading/Language Arts Notes

First graders learned all about contractions with will, is, are, and am last week. We also discussed what a synonym was (not cinnamon) and learned that some words have a long vowel "trickers". We were given a new tool in our reading tool boxes called "flippy the dolphin".

In LA, we learned what an expository text meant and created a list of 5 things we could write an expository paragraph on.

Second graders learned about the different ways to make the long a sound (-ey, -eigh, and -ange). They also practiced using context clues to discover the meaning of words. In LA, we continued editing our 3-point expository paragraphs.

Word of God

Our bible stories taught us that David's strong faith in God helped him defeat Goliath. We pray for a strong faith. We also want to follow David's and Jonathan's example of being a true Christian friend to all.

Stories to read at home for this week in your blue folder are:

**David Shows Kindness to Saul
The Deaths of Saul and
Jonathan**

(see other side for memory work)

Science

We finished our chapter on the sun. To the moon we go!

Math Notes:

First grade learned about ordering events by time and began memorizing their subtraction facts, starting with subtracting a number from 10.

Second grade worked on dividing an odd number into two groups and learning what to do with the "extras". They also worked on estimating sums and measuring with feet and inches.
