

## **1st and 2<sup>nd</sup> Grade**

### **News and Notes**

**December 17, 2018**

What a wonderful children's service we had yesterday!! Our students glorified God with their beautiful singing and recitations!

This week: our last week before Christmas break

- Christ Light: Jesus Walks on Water, Jesus Appears in Glory
- Math: 1<sup>st</sup> Grade will add by 2; 2<sup>nd</sup> Grade will add with regrouping
- Reading: 1<sup>st</sup> Grade will read from the next Super Magazine; 2<sup>nd</sup> Grade will finish reading their novel
- Spelling: words are on the back of this note—test is Friday
- Christmas service at the Lutheran Home: our students will share their Christmas service with the residents on Wednesday and Friday mornings

Looking ahead:

- School resumes January 2<sup>nd</sup>
- Due to the 3 day week upon return, there will be no spelling test or note home that week

It's hard to believe Christmas is almost here! I look forward to seeing you at our services as we worship the tiny babe in a manger, who is our Savior and King. May you all enjoy a wonderful break, filled with worship, fun and family time!

Christmas blessings and joy,

Mrs. Bentz
