

# Trinity Lutheran School

*“75 Years of Growing in Mind, Character, and Faith”*

**Week of April 15, 2019**

**Easter Week:** Just a friendly reminder that there is no school on Good Friday, April 19, or on Easter Monday, April 22. Hope you and your family enjoy the long Easter weekend!

**Purple Up! For Military Families:** “Purple Up! For Military families” is a day for communities to wear **purple** to show support and thank military children for their strength and sacrifices. Wearing **purple** is a visible way to show support and thank military youth for their strength and sacrifices. Purple indicates that all branches of the military are supported: Air Force blue, Army green, Navy blue, Marine red, and Coast Guard blue all combine together as a single color—purple. Trinity Lutheran School will celebrate **PURPLE UP! Day** on **Monday, April 16th**. Please consider wearing purple this day! Thank you for supporting our military families!

**BOSE Notes:** Below are notes from the April 9 BOSE meeting:

1. Classroom Visitations. BOSE visited classrooms on March 5. The consensus of the BOSE members is that we are blessed to have such an excellent and dedicated teaching staff.
2. Dollars for Scholars. Trinity is participating in the Belle Plaine Dollars for Scholars program. BOSE chair, Gary Bandel, will award a Belle Plaine graduate a scholarship on behalf of Trinity Church and School. The criteria of the scholarship is that the graduate be a member in good standing at Trinity, have a “B” average or better, be attending a school or technical program in the coming year, and have provided at least twenty hours of community service.
3. Grades 5-6 Teacher Call. Because Mr. Raith returned the call to teach Grades 5-6 in the coming year, BOSE voted to request a graduate from the MLC Assignment Committee. (The MLC Assignment Committee is made up of Martin Luther College staff and the WELS Conference of Presidents.) The Trinity Voting Assembly asked BOSE to make the request of MLC should the call be returned. The deadline for making such a request is May 1. There would not be enough time to make a call from the field and still consider the Assignment Committee if needed.
4. Telling the Next Generation. Two BOSE members along with seven other Trinity members attended an Outreach workshop at St. Peter Lutheran Church in St. Peter on Saturday, April 6. The purpose of the workshop is to help churches and schools develop a harvest strategy for gathering and retaining members. Pastor Bentz is helping to lead the effort here at Trinity. If you are interested in participating, please contact him for more information.
5. ECE Licensing Update. We have passed our building, fire, and health inspections. The principal is working on the policies and procedures that are needed to meet the requirements of a licensed center.

**Adopt-a-Highway:** We will clean our roadside area along Hwy 7 on Sunday, April 28, beginning at 12:30 p.m. All help is appreciated! It usually takes less than an hour depending on how much help we have. For more information, please contact Sheila Vinkemeier.

**Greeting Cards:** A very nice assortment of new greeting cards arrived last week – just in time for Easter, plus adults’ and children’s Birthdays and all the Weddings and Anniversaries to be celebrated this spring and summer. Of course there are Get Well and Sympathy cards, as well as some for Thinking of You and saying Thank You. Each card costs only fifty cents, and all proceeds benefit the Trinity School Library. Why not stop and take a look? Your thoughtfulness could make someone’s day!
