

RaiseRight App Application

RaiseRight allows you to purchase Scrip online and print Scrip certificates from the convenience of your own home or on the go! The percentage of your order will still be applied to your family's tuition account. Because Trinity School is liable for any orders that are in default, we will ask families to sign an agreement prior to using RaiseRight. We also ask that you set up your order as an automatic withdrawal from a checking/savings account. We do not accept payment to the coordinator for orders on the app. Families who register on this Web Site agree to the following:

- To designate Trinity Lutheran School (Belle Plaine, MN) as the beneficiary of your shopping activity and to abide by any rules, schedules or guidelines imposed by such non-profit organization;
- To pay the designated non-profit organization's full-face value for gift certificates, gift cards, or products purchased from this Web Site;
- To use the gift certificates and gift cards in accordance with any stated retailer policy governing their use;
- That any customer service issue or request that cannot be resolved through raiseright.com must be resolved on your behalf by your non-profit organization, and you authorize your non-profit organization's representatives to resolve the issue on your behalf; and
- To authorize raiseright.com and GLSC to send you administrative and promotional email messages regarding products and services available on this Web Site and/or products and services offered by GLSC's participating retailers. Users can opt out of promotional messages sent to them by using the tools contained in each message. I agree to the terms and conditions of the RaiseRight program as listed above.

Once signed form is received, you will be emailed the code to set up your account on the app.
